

Pine Cone Bird Feeder

Materials:

- Pine cone
- Peanut Butter or Crisco
- Bird seed
- Plastic spoon
- Twine
- Ribbon (optional)

1. Attach twine to pine cone and create a loop so it can be hung.
2. Using your plastic spoon, spread a generous amount of peanut butter or Crisco onto the pine cone.
3. Roll in bird seed until completely coated.
4. Add ribbon (optional) and hang from a tree for the birds to enjoy!
